

## The Golden Age: A Different Look at a Different Era Book 1 of 4 (Elseworlds)

Some of the greatest heroes of the 1940s, including the original Green Lantern, Atom, Hawkman, Starman, and others, return in this spectacular tale. The story follows their postwar adventures as they battle evil in a world they fear may no longer need them. And as their importance wanes, a new hero, Dynaman, rallies the nation behind his fascist agenda.
