

My Stepbrothers Twisted Game

Tonight we can be whoever we want. My stepbrother Hunter and I have always had chemistry. We've lived in denial about it for years, but when we received invitations to a billionaire's masked charity ball, it seemed like the perfect opportunity to live out our taboo fantasies. There's just one problem: when I arrived at the ball, Hunter was nowhere in sight. After a steamy encounter during one of the night's more bizarre attractions-- a dreamlike sex show-- a masked man swept me off my feet. He led me into a private room where things turned hot quickly. Lost in the throes of passion, a lot can go unnoticed. The shocking secret awaiting me behind the man's mask was almost too much to bear. Take a Look Inside to learn more about this forbidden erotic tale.
