

X-Men vs. Avengers (Marvel Premiere Classic)

When Magneto on trial, he needs all the help he can get - he finds it in the remnants of his former fortress, Asteroid M! The X-Men aren't sure what his scheme is, but they're positive they don't want the Avengers and the Soviet Super-Soldiers to find out first! Multi-team warfare with the eyes of the world on all three! Also featuring the X-Men's fabulous first fight with the Avengers, to keep them from unleashing the legendary Lucifer! Collects X-Men vs. the Avengers #1-4, and Uncanny X-Men #9.
