

Superman: Coming of Atlas

Its a literal clash of the titans as fan-favorite writer James Robinson (STARMAN, JSA: THE GOLDEN AGE) kick-starts his Man of Steel run with a battle to end all others when Superman faces off with Atlas, the lost God of myth! When the long-missing God stakes a claim on Metropolis, its up to Superman and his family to bring Atlas down. But whos pulling Atlas strings? Guest-starring Green Lantern, Supergirl and more!
