

All New Soulfire #1

In the future, technology is everywhere, but theres a greater source of power and wonder now out there - magic! After saving the world from the destructive force of chaos itself, Malikai and his friends try to return to a life of normalcy. PJ is determined to be Benoists heir in the battle arena, where cybernetic technology rules the day. Malikai is just happy to be with Sonia again, yet he cant help see that Grace is still haunted by the scars of the past. Meanwhile, a secret danger grows in the shadows between magic and technology, and it has a name - RAINIER! Dont miss this exciting premiere issue of the ALL NEW SOULFIRE!
