

No Greater Joy: Volume One

In 1994 Michael and Debi Pearl published *To Train Up a Child*. The book has sold over 625,000 copies, becoming the handbook on child training for many families. The Pearls received so many child training questions in the mail that they began publishing a free bimonthly magazine to answer them— *No Greater Joy*. As the subscriptions grew into the tens of thousands, subscribers kept asking for back issues, thus the publication of *No Greater Joy Volume One*, *Volume Two* and *Volume Three* each book representing about two years of articles from back issues of the magazine. If you have read *To Train Up a Child* and you have questions, chances are you will find the answers in *No Greater Joy Volume One*, *Volume Two*, or *Volume Three*
