

# Cars: Freedom, Style, Sex, Power, Motion, Colour, Everything

Sources are eclectic, results mixed, but one thing is certain: car design is being forced up an ever-tightening spiral of creativity. These machines are memorials of our tastes, yearnings and capabilities. They have layers of meaning and can, as Henry Ford knew, be read like a book... if only you know how. The story of the car is the story of how the objects of industry became a medium of artistic expression.
