

## GUY RITCHIE: GAMEKEEPER, Issue 5

Created by filmmaker Guy Ritchie (Lock Stock, Snatch and Sherlock Holmes). Brock, having fought through the scrub and brush of jungle-like Amsterdam, finally faces his quarry, the coal broker Van Allan. But unanswered questions still abound: why did Van Allan order the death of Brocks employer and friend? What did Victor Draganov die for ten years earlier, and why has the body-count risen only now? And what ghosts still lurk in Brocks past, haunting him from another country and another life? Dont miss this heart-stopping issue, rounding out the first arc of Liquid Comics hottest series!
