

## Nemo: Heart of Ice (League of Extraordinary Gentlemen(Nemo Series))

AN ALL-NEW LEAGUE OF EXTRAORDINARY GENTLEMEN ADVENTURE! In the grim cold of February surfaces a thrilling new League of Extraordinary Gentlemen book: NEMO: HEART OF ICE, a full-color 56-page adventure in the classic pulp tradition by the inestimable Alan Moore and Kevin O'Neill. Its 1925, fifteen long years since Janni Dakkar first tried to escape the legacy of her dying science-pirate father, only to accept her destiny as the new Nemo, captain of the legendary Nautilus. Now, tired of her unending spree of plunder and destruction, Janni launches a grand expedition to surpass her father's greatest failure: the exploration of Antarctica. Hot on her frozen trail are a trio of genius inventors, hired by an influential publishing tycoon to retrieve the plundered valuables of an African queen. It's a deadly race to the bottom of the world -- an uncharted land of wonder and horror where time is broken and the mountains bring madness. Jules Verne meets H.P. Lovecraft in the unforgettable final showdown, lost in the living, beating and appallingly inhuman HEART OF ICE.
