

## Italy by Bike: 105 Tours from the Alps to Sicily (Dolce Vita)

This new guide describes 105 itineraries covering all of Italy and cut out for both beginners as well as more expert cyclists. Each route has an average length of 30/50 miles that can be covered within one day, and is accompanied by color pictures, technical details (length, difference in heights, suggested season), description of the landscape, historical and artistic outlines, as well as other useful information and a schematic cartography showing the area and the route.
