

## Tango - 14 Intermediate-Level Pieces for Accordion

The accordion was an integral part of the Argentine tango from its beginnings, later being supplanted by the bandoneon. Diego Collatti offers a return to Tango on the accordion with twelve original tangos, along with Carlos Gardels Volver and Ernesto Ponzios Don Juan. The score is clearly notated, as explained by Collatti, along with his notes on all pieces. For intermediate to advanced players.
