

## Pares Scales - French Horn in F or E-flat and Mellophone

(Brass Method). The classic scale and arpeggio studies of Gabriel Pares were adapted in the 1940s for like-instrument study by Rubanks Harvey Whistler, and are now the standard for elementary scale instruction. Presenting all the major keys up to four flats/sharps (and the relative minors), each unit also includes long tone and embouchure studies. Supplemental material includes comprehensive chromatic scales, fingering and speed studies, lip slurs (brass) and exercises to strengthen the upper register (woodwinds).
