

A Beach Angel (Interracial BW/WM Billionaire Erotic Romance)

Lance is a handsome billionaire who looks like an underwear model, with the money of an oil tycoon. Hes in the Dominican Republic for pleasure, and finds it in Anita, an ebony beauty who works hard and wants to play harder. When they swap room keys and their worlds collide, they lick, taste, suck and sex each other while getting the most out of their vacation.

EXCERPT: I knocked on Anitas door at around 6 p.m. I had taken an early dinner and enjoyed a post meal cigar, along with a stiff drink to get me started off right. When Anita swung the door open, she had a glass of wine in her hand, and Sade playing on her iPod speakers in the room, so I could see that she had begun to unwind also. Well come on in, stranger, she said with the sexiest, sassiest smile that I had ever seen in my life. I leaned in and placed my hand on the small of her back and pulled her in to me, as I leaned down and pressed a kiss against her lips. I parted her lips with mine and slipped her my tongue, while pressing her against the door frame. I pressed my firm cock against her body and loved the way our warmth compliment each other. She smelled heavenly, like sweet perfumes, and I wanted to devour her. I also knew that the sexiest thing in the world is being the master of your own domain, so I released the kiss and walked into the room without even looking back, so that she stood their with her breath taken away. I had made her hot and I knew it. Nice room you got here, I said, looking around. Im worth billions, but her room was even bigger and better than mine. I could tell that she had splurged a little bit. I saw the hot tub in the corner of the room that was already filled and with flower petals. I knew that we were going to have some fun in there. We sat in the bed knocking back drink after drink. So what did you think when you first saw me? she asked, rubbing her hand across my thigh. I gave her a smile before answering. Well, I

wondered what you tasted like, honestly, I said.
