

The Sheikhs Impatient Virgin (Harlequin comics)

After her mother passes away, Eva finds out that her father was the prince of a foreign country in the Middle East, and she is escorted to that country to meet her grandfather. When her grandfather arranges for Eva to marry Sheikh Karim Al-Nasr of the neighboring country, she doesn't know what to do! Before, all Eva was worried about was working two jobs in order to live on her own and pay for school; now she must find a way to come off as the worst bridal candidate. Despite her efforts, they are married, and Eva must put up with Karim's cold behavior. Karim's only concern is his daughter, which makes him keep his distance...but it only makes Eva want to get closer to him. Will he eventually let her into his heart?
