

## Forever Florence, True Tales of Italian Intrigue

Renaissance Florence comes alive in this innovative collection of true stories. Cloaked assassins, conspiracies and murder most foul. Jousting for the hand of the most beautiful girl in Florence. The return of the black plague. The enmities and intrigue of competing artists, musicians and scientists in the two centuries when Florence contained the greatest concentration of talent the world has ever known. Addresses and visiting hours of the sites mentioned in the stories make this a valuable guide to the must-see sites. A chapter on concerts tells of many venues in Florence, all within walking distance and some FREE.
