

Ghosts of Mississippi Golden Triangle (Haunted America)

The Golden Triangle is an institutional hub, but restless spirits of Native Americans, Civil War soldiers and slaves also wander this region. Tales of a mysterious watchman who patrols the railroad tracks between Artesia and Mayhew haunt curious locals. Ed Kuykendall Sr. is rumored to manage Columbus Princess Theater from beyond the grave. A young girl who died while attempting to free her head from a stair banister is said to still wander the halls of Waverly. Author Alan Brown uncovers the eerie thrills and chills within Mississippi Golden Triangle.
