

101 Ideas Bathrooms

Whether you want to create a purely functional space or a haven for relaxation and rejuvenation 101 Ideas Bathrooms explores the exciting new design possibilities for this room. This book reveals the secrets of designing a practical yet beautiful bathroom, as well as clever ways to update an existing bathroom without major structural remodelling. The first section of the book, The Big Picture, explores the potential of this promising space, the different ways of decorating it and the technical knowhow you need to make sure it all works properly when finished. Getting Down to Detail focuses on the individual elements, from baths, basins, showers, taps and toilets through to wall and floor options and storage. The final section, Keeping it Fresh, reveals the secrets of designing an easy clean bathroom and shows you clever ways to update without major remodelling. For practical advice and heaps of inspiration, whether you want a family bathroom, personal sanctuary, wetroom, en-suite, or home spa look no further - 101 Ideas Bathrooms has it all!
