

California Country: Interior Design, Architecture, and Style

With over 30,000 copies in print in hardcover, this lavishly illustrated volume is now available in a beautiful paperback edition. Over 200 full-color photographs showcase the work of such acclaimed architects and interior designers as Joseph Esherick, Frank Gehry, Michael Taylor, and Ellinor McGuire, all accompanied by historical commentary and detailed descriptions of 31 of California's most exquisite residences. Entertaining, informative, and inspirational California Country is a superb resource for designers and homeowners, or anyone who appreciates gracious living in country setting.
