

## Marvel Knights #2

Thunder Below Question: What lives a mile below Brooklyn and destroys everything in its path? If your final answer is hundreds of sharp-clawed creatures lead by Ulik the Asgardian troll, then you may be a millionaire! In a tale we call Thunder Below, the ultimate non-team attempts to fight their way out of one of the most disgusting, disease-ridden and spine-chilling places in the known Marvel Universe-the New York City subway system! After all, only a hole this horrifying could bring together arch enemies like Daredevil and the Punisher! And only a rat-infested pit this dank and miserable could give the Black Widow, Dagger and Shang-Chi the heebie-jeebies!
