

Pattys Patterns - Advanced Series Vol. 1: Advanced Patterns Coloring Book

lots a fun! - James Armstrong My teenager is very happy. - LatinaFabulous Announcing Pattys New Value Bundle! If youre looking for even more value take a look at Pattys Value Bundle featuring 100 detailed patterns from Volumes 1 and 2 in her Advanced series: <http://www.amazon.com/Pattys-Patterns-Advanced-Full-Page-Bundle/dp/1500975869/> / When we asked Patty to kick it up a notch and design a pattern coloring book for advanced colorists we were blown away with the results. The 50 full-page images in this coloring book are breathtakingly detailed and so beautiful you might be tempted to not color them (but what fun would that be?) at all. To see what the images look like do a Look Inside. Thumbnails have been placed in the front of the book but you can also use the Surprise Me link to see the images full size.
