

Words with Music: Creating the Broadway Musical Libretto

The dean of Broadway musical directors examines the dynamics of how the book, music and lyrics work together to create such hits as *My Fair Lady*, *Fiddler on the Roof*, *Guys and Dolls*, *Hair*, *Pal Joey*, *West Side Story*, *Company*, *South Pacific*, *Threepenny Opera* and *Porgy and Bess*. Howard Kissel, chief theater critic for the *New York Daily News*, extends the reach of Engel's subjects by bringing them up to date with commentary on such shows as *A Chorus Line*, *Nine*, *Sunday in the Park with George*, *Rent*, *Working* and *Falsettos*. Kissel offers a thoughtful history on how musical theater has evolved in the three decades since Engel wrote *Words with Music* (1972) and how Engel's classic work remains vital and illuminating today.
